

## Parts of Speech

**Noun** – a person, place or thing

**Verb** – doing word

**Adjective** – describes a noun

**Adverb** – describes a verb (i.e. quickly, quietly, neatly)

**Pronoun** – replaces a noun (i.e. him, her, she, his)

**Preposition** – word that describes the relationship to a noun, indicates time, direction, location or description (i.e. on, under, near, after)

**Conjunction** – word to join two ideas/sentences (remember FANBOYS – for, and, nor, but, or, yet, so).
